"A" SCHOOLS

Two schools in our district worked tirelessly over the past year to achieve one of the highest honors in the state. Pima Butte and Butterfield Elementary Schools earned "A" ratings from the Arizona Department of Education, and our other schools are on their way!

MARICOPA UNIFIED SCHOOL J DISTRICT

DREAM. LEARN. BECOME.

OUR PROMISE

Maricopa Unified serves more than 7,200 students and families in preschool through 12th grade, and we are GROWING! We pride ourselves on being partners in a community destined for greatness. Maricopa families will find our city's best and most exciting choices for their children's education in Maricopa Unified School District. Our schools capture the connected values of a small town with the dynamic academic, social, and extracurricular experiences of a destination city.

STRATEGIC PLAN

In the fall of 2018, students, parents, teachers, administrators, and community leaders gathered to articulate a vision that would chart the course for Maricopa Unified School District through 2025. Our commitments to student achievement, collaborative culture, accountability, and community pride serve as guideposts to becoming a premier district that meets and exceeds the individual needs of students and broad expectations of our community.
