QUALITY OF LIFE & LIVABILITY

MARICOPA IS A DREAM COME TRUE

In 2003, the modern founders of Maricopa envisioned, incorporated and built a community that is welcoming, safe and diverse. The quality of life in Maricopa is exceptional and not just because we think so: data substantiates our claims. Currently, Maricopa Unified School District is ranked the #1 Most Diverse School District in the Phoenix Area (Source: Niche.com, 2020). And, we also ranked as the #2 Best Place to Raise a Family in Arizona and the #3 Fastest Growing City in our state (Source: HomeSnacks.net, 2020). Maricopa is a family-focused community that offers a myriad of activities for children, youth and adults.

Whatever your passion for work or play, you will find it in Maricopa, a new, vibrant full-service suburban city just a short drive away from the big city experiences of the Phoenix Metro.

We are a community that embraces long-time neighbors and newcomers from all backgrounds and aspirations. Our community honors and celebrates diversity, equity and inclusion: these are values deeply embedded in Maricopa's DNA. Maricopans are diverse: Black or African Americans comprise 11.1% of the city's population – the highest such level in Arizona; members of the Hispanic/Latinx community comprise 27.5% of Maricopa's population, and Asians represent 4.6% of the population (Source: U.S. Census American Community Survey, 2013-2018 5-Year Estimates).

As a young city, Maricopa takes great pride in its well-planned, safe and affordable housing and neighborhoods; caring and neighborly culture; high-performing traditional and charter public schools and wealth of activities and amenities. Maricopa's serene, natural setting offers plenty of opportunities to get outdoors for fitness, recreation and relaxation.

Residents of Maricopa enjoy athletic leagues, including eSports, as well as a plethora of indoor and outdoor recreational amenities, like the award-winning Copper Sky Recreation Complex, a premier sporting, fitness, recreation and leisure destination. This expansive complex offers state-of-the-art equipment, green spaces and programs designed to enhance Maricopans' quality of life.
